RE: Facility Location  
Draft NPDES Permit Number AL0078875  
Proposed Killen Wastewater Treatment Facility (WWTF)  
Lauderdale County, Alabama

Dear Mr. Matthews:

Based on conversations with Alabama Utility Services, LLC and correspondence from Mr. Paul Wilson, it appears that the location of the Killen WWTF may not be as indicated in the NPDES permit application. Relocation of the WWTF could have an effect on the anti-degradation analysis. Therefore, the Department requests verification of the location of the facility within 30 days of the date of receipt of this letter. Please be aware that pursuant to ADEM Administrative Code r. 335-6-6-.08(1)(k)7, the failure to provide this information could be cause for denial of the permit application.

Sincerely,

*GLENDA L. DEAN*
